

## How-CREDENTIAL EVALUATION

If a student has a degree from a foreign country, evaluations may be performed by the Bar or a Bar-approved agency. Evaluations and any applicable fees are the responsibility of the student.

### APPROVED BY THE COMMITTEE OF BAR EXAMINERS

The following list of credential evaluation services has been compiled by the Committee of Bar Examiners (Committee). In order to be included on the list, the credential evaluation service must:

1) be a member of the National Association of Credential Evaluation Services, 2) require certified credentials and 3) provide as part of each evaluation, complete information that includes courses, U.S. unit/hour equivalent, U.S. grade equivalent, and a summary of U.S. degree equivalent. The evaluations are considered advisory in nature and are not determinative relative to the credit that may be allowed for purposes of satisfying the pre-legal and/or legal education requirements necessary for qualification to register with the Committee, take the First-Year Law Students' Examination and/or to take the California Bar Examination.
